These Procedures are intended for the “Key Holder” for UUCC groups, activities, and committees and for outside groups using the building. When you request and are assigned a building key, you assume full responsibility for the Key and agree to the following procedures when closing the building and to follow all applicable Building Use Guidelines established by the UUCC Board of Trustees.

- I. You must have completed a green Building Use Form or white Building Use Agreement requesting use of space prior to the event/meeting/gathering. Always notify the Church Administrator of changes in your group’s schedule so that we know that that space is available for others.
- II. **NEVER** duplicate the key.
- III. Do not loan the key. If someone needs a key, they need to contact the Church Administrator.
- IV. **If you are the person unlocking the building for an event, BE SURE to UNLOCK the doors leading from the Sanctuary to the back parking lot.**
- V. When leaving the building, always check for other groups using the facility.
 - A. If there is another group meeting in the building when you leave, speak to the Key Holder for that group and let them know you are leaving and that they are responsible for locking up.
 - B. If you can’t find anyone to tell that you are leaving, then lock-up the building.
 - C. **NEVER** leave the building without telling another Key Holder or locking up.

 - A. Check all areas to be sure they are clean and orderly. Report any problems to the Church Administrator.
