The more advance notice they have- the more likely it is they can work!

The nursery workers are paid \$7 an hour- and the money comes out of your committee budget. The teenagers have not had background screens performed but are trusted members of our congregation.

For the protection of all, please do not bring sick children to the nursery.

Please make sure your child has a dry diaper when you drop him or her off. If your child has a soiled diaper during your meeting that needs changing right away, one of our nursery staff will come find you.

With the exception of bottles and sippy cups that you provide, our nursery attendants do not feed your child. Nonetheless- if your child has any allergy please let us know.

Please label your child's bottle or cup before you leave them in the nursery.

If you are in your meeting and your child is unhappy, our nursery staff will come and get you. We do not allow babies to cry for more than 2-3 minutes.
